From

K. MATTHAN, Esq., B.A.,
Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to Government Proceedings No. G.28099-112/P.P.134-18-622 dated the 18th June 1919, directing that certain reserve stocks of ragi should be maintained in the depots to meet any sudden and unexpected situation that may arise, I have the honour to state that there is at present a stock of over 5,000 pallas of ragi in the several depots in the State the bulk of which is in the Provincial Depot at Bangalore, the Municipal Depot at Mysore and in the Kolar District. As there is every prospect of a satisfactory ragi harvest in the near future, ragi stocks are coming in to the market and there has been an appreciable fall in the prices. If the ragi that we have in stock is kept much longer there is the likelihoo of Government sustaining ~~a serious~~ some financial loss. At the same time there is no likelihood of any serious situation arising. In these circumstances, the Centra Food Supplies Committee at its meeting held on the 17th instant resolved that the ragi which is in stock in all the depots may be sold in retail at the market rate, the sales being spread over a period of eight weeks up to the middle of December. I request that the proposal of the Committee may be approved. The market rates will

will be fixed by the Deputy Commissioners or Presidents of Municipalities in consultation with me.

2. A copy of the resolution of the committee is enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.
